

Dear Friend,

Your friendship has always been an important part of my life and I look forward to continuing to build our friendship in the future. One of the ways I want to improve our friendship is by running my business primarily by referrals from people I have worked with in the past or from family and friends. I expect to help the people who help me be successful in my business and life to also achieve their investment and life goals. As I build my business by referrals I assure you this friendship will be mutually rewarding.

The people I want to work with in the future are people just like you. In the past, referred clients have always been the most enjoyable and rewarding transactions.

At McMillin Realty we are extremely focused on customer satisfaction. Client input is greatly valued. Feedback from you, the client, helps us know if we are meeting or exceeding your expectations.

I again want to thank you for the opportunity to serve you as your Realtor.

Sincerely yours,

Dale Politte

Oh, by the way....if you now know of someone thinking of buying or selling a home, who would appreciate the kind of service I offer, I'd love to help them. So, as these people come to mind, just give me a call with their name and number. I'll be happy to follow up and tend to their Real Estate needs.
