Dear Dale —

Hi! A note to say thank you very much for the cute snowmen and candy gifts from you! That is very thoughtful of you, and after all you went through for us you really didn't need to. Miss Alma received hers too so I say thank you for her too. 😊

The family is very grateful to you for all your hard work and the blessing for all of us (including you!) that the sale went through. The market seems as difficult as ever, so we appreciate this success and wish you the best in the coming months.

You never know, we may be in touch for future "Sales by Dale" storage adventures! Take care and all the best to you + your family! michelle
